Lisa Gately Operations / Full-time

Lisa Gately is an operations leader with nearly 20 years of
experience across industries, including 7 years in hospitality and food
& beverage. She has a proven track record of delivering exceptional
results and supporting others to do the same. Lisa has expertise in
developing efficient operating processes, high-quality training
programs, and driving revenue growth.

In her tenure at Getaway, a leading glamping company, Lisa started
as a property-level General Manager and was promoted into
headquarter based roles including Guest Experience Manager and
Associate Director of Operational Excellence. At
Getaway, Lisa created processes that exceeded guest satisfaction
(NPS 80+) and financial performance (EBITDA 65%+) expectations
and used the results to build and train employees on standard
operating procedures across the manager function. These SOPs were
turned into learning content, built by Lisa, and used to train 60+
managers nationwide. Lisa assisted in the onboarding of over 400
frontline team members (housekeepers, supervisors, facilities
supervisors) by co-creating new hire training content & courses for the
tactical job functions of frontline staff. In her role as Associate Director
of Operational Excellence at Getaway, Lisa used data to drive guest
experience improvement initiatives organization-wide. She increased
internal process adoption by formulating a change management
communication strategy and decreased guest issues by leading cross-
functional project teams to test new processes.

Lisa's educational background includes an MBA from Southern New
Hampshire University and a BS from Valparaiso University. Lisa spent
her high school and college summers working in property
maintenance for her dad, a real estate investor and landlord in
Michigan. Outside of work, she enjoys learning about cheese and
charcuterie, participating in a local community choir, and going on
adventures with her 3 year old daughter and husband.

Vision

To live in a world where everyone can comfortably and responsibly access the wonder of natural places.

Mission

To become the best-loved and lowest impact cabin-based outdoor hospitality brand in New England and Upstate NY.

Core Values

Service

To guests, employees, land,
and planet

good design is how we say we care
// efficient but friendly
information // beautiful, quiet,
rejuvenating locations // the rituals of
camping with the comforts of our
time // the right physical and digital
tools for the job // career
development opportunities // dignity
and visibility // **preserving open
space** // supporting local land
trusts // providing opportunities for
nature-based education // **net-zero
energy** // EV chargers // carbon-
storing materials

Constant Improvement

Be better than we were
yesterday

Inspiration

Inspire a better world through
thoughtful, joyful design

S

Strengths

- Cabins vs Tents
- Stunning location - views + space + hiking + blueberries
- Unique Amenities
- Low-impact construction design & operation
- Modern style

W

Weaknesses

- "Middle of nowhere"
- No onsite food service option
- Could be closer to Acadia
- Unknown brand amongst customer base
- Possible insufficient shoulder season demand

O

Opportunities

- Wedding/corporate events
- Local partnerships (LL Bean, restaurants, local universities)
- Farm-to-table pop-up dinners
- Off-season housing
- Partnerships with existing venues (ex: Bangor music venues)

T

Threats

- Slim labor supply
- Macroeconomic trends leading to higher costs and lower consumer spending
- Market saturation & customer reliance on Airbnbs

P

Product

- A comfortable experience in nature
- Design-forward, eco-friendly cabins sleep four each
- Nature-based experiences including Sauna, trails
- Opportunities for exploration in Acadia National Park, Blue Hill Peninsula, midcoast region

P

Price

- Year 3 stabilized Average Daily Rate of \$394, with a range of \$249 - 499
- Pet amenity fee of \$59
- Sauna amenity fee TBD
- Add on guest experiences (guided nature walks, sauna) for an additional fee

P

Promotions

- Influencer marketing
- SEO
- Google ads
- Social media
- Email Marketing

P

Place

- Orland, Maine with desire for expansion to the Adirondacks in future years
- Bookings can be completed online or over the phone

Target Customers “Explorers”

Explorers want to see the natural world and even more, show it to others. Oftentimes, those others are their children. They can also be significant others, friends, and parents.

Whether hikers, cyclists, or birdwatchers, Explorers are active outdoor enthusiasts. They may be REI Co-op members, wear brands like Patagonia, and own or have plans to own an electric vehicle. They likely have a six-figure household income.

Demographic Attributes

- Adults 34 - 65, targeting women specifically as the primary purchasers
- Married or in a relationship
- HHI \$100K+
- Regional concentration of New England and Mid-Atlantic states, city dwellers
- College or graduate degree
- Have children

A family enjoys hiking in Acadia National Park
